Brand and creative strategist with 7+ years in-house and freelance across 7-10 brands, shaping brand systems, digital campaigns and conversion-led product experiences. Has partnered with numerous startups to build cohesive identities.

Experience

Sr. Design & Marketing Specialist
Nov 2025 – Present

Transformative Ventures | Middle East and Europe markets

- **Middle East:** Plan and lead market-specific SALE events for skincare: performance marketing creative, Meta funnels and landing pages, shaped by regional research.
- **Europe:** Lead the supplement launch across 6+ EU countries and the US: full-funnel plan from pre-launch to post-purchase follow-up, built for early market capture and run with marketing, product and operations teams.
- **Delivery:** Ship Shopify, Zipify and PageFly pages, Klaviyo emails and market-adapted ad creative through Claude Code skills, built for fast turnaround.
- **Operations:** Run daily work through Claude Cowork, with Klaviyo, Higgsfield, Motion and Atria connected for faster execution and sharper audience insight.

Sr. Design Specialist
Jan 2025 – Oct 2025

Capcons Analytics Private Limited | Brand, product and marketing design

- Directed brand identity expansion and enforced one brand system across in-house and client platforms such as **Woodland** and **PropX**, keeping every digital and physical touchpoint consistent.
- Led a cross-functional design team of 7 across global locations, with AI-based project tracking and creative feedback.
- Built a brand and marketing calendar from Google Analytics and MoEngage data, lifting engagement 25% in 3 months across LinkedIn, Reddit, Product Hunt and Instagram.
- Partnered with front-end and back-end developers and design-to-code tools, tripling delivery speed for websites and apps.

Independent & Contract Practice
Apr 2024 – Dec 2024

Brand identity, web and packaging

- **Indian Army women's bike ride**: branding, logo and creative direction for the Nari Sashakatikaran campaign, applied across print and digital along all routes.
- **Zen Barefoot**: Shark Tank India brand. Brand research and a full identity from concept to execution, including logo, footwear design, merchandise and packaging.
- **Ralf Iwan Academy**: logo, brand identity and a responsive website.

Sr. Visual Designer
Jun 2022 – Feb 2024

GradRight Inc. | Ed-tech: landing pages, SEO and conversion

- Led end-to-end website and microsite design with AI-powered UX prototyping tools (Figma AI, Galileo), delivering 100+ landing pages and a 65% conversion boost.
- Built and scaled a content microsite with AI-assisted keyword planning and analytics to track blog performance.
